1. The Contract

- 1.1 This document sets out the general terms and conditions which apply to your contract and study with University College of Estate Management (“UCEM”). The contract is formed when you accept our offer by registering on the programme for the first time. When you have registered we will send an email to confirm that you have accepted our offer and have now entered into a contract with UCEM. Please see Clause 8, which explains our right to end your contract, and Clause 10, which explains your rights to cancel your contract. Students enrolled on a UCEM programme may not normally be enrolled on any other programme of study offered by UCEM.

2. Our obligations to you

- 2.1 UCEM will provide the teaching, assessment and other educational services as stated in the relevant programme specification. Programme specifications can be accessed at: <https://www.ucem.ac.uk/our-programmes/programme-specifications.aspx>
- 2.2 UCEM will provide pastoral support, advice and guidance to students. This pastoral support includes the provision of academic support, and a dedicated Student Services team.
- 2.3 UCEM will award certificates, diplomas or degrees as applicable to all students who are successful in their study and have met the academic requirements for their programme, as approved by Academic Board, and complied with other relevant conditions to which they are subject under this contract.

3. Programme Fees

- 3.1 You agree to pay the programme fees for your modules, shown on your fee schedule provided with your offer letter within the timescales and in the manner set out in your fee schedule issued before the start of each semester.
- 3.2 Module fees will remain the same for the duration of your programme. The only additional module fees to those outlined in the fee schedule will be payable if you are required to retake a module (see 3.3), if you defer or suspend your Project Module (see 3.4), or if you decide to change the modules you are studying after you have commenced them (see 3.5).
- 3.3 With regard to retake fees this fee is 50% of the original module cost, if the retake is taken at the first available opportunity offered by UCEM. If the retake is not taken at the first available opportunity the retake will be charged at the full module fee. You will be informed of the first available opportunity to retake your module(s) by the Registration Team with details of payment for the forthcoming semester. If you are unable to take your retake at the first available opportunity due to a disability or wellbeing issue or other exceptional circumstance the Finance Director may agree to the fee remaining at 50% of the original module cost.
- 3.4 If you defer or suspend your Project module you will be required to pay 50% of the module fee if you return to study at the agreed time. If you are unable to return to study at the first available opportunity you will be charged the full fee for the Project module. If you are unable to return to study your Project Module at the first opportunity due to a disability or

wellbeing issue or other exceptional circumstance the Finance Director may agree to the fee remaining at 50% of the original module cost.

3.5 if you decide to change the modules you are studying after you have commenced on the module(s) you will be charged an administrative fee of £50. Changing your modules once you have commenced them is not an automatic right and is at the discretion of UCEM.

3.6 Module fees are quoted and payable in pounds sterling in the manner set out in the fees schedule.

3.7 The module fee covers access to and use of the Virtual Learning Environment (VLE), online learning programme materials including the E-Library, tuition in accordance with the prospectus, and examination fees at centers designated by UCEM.

4. What we may do if you fail to pay your module fees

4.1 If you fail to pay your module fees when due we will contact you to request payment. If you do not pay the outstanding amount, or agree a revised payment plan with the Finance Office we may then withdraw your access to the VLE. If you continue not to make payment we may end your contract and revoke your licence to use module information and materials, and/or bring legal action against you.

4.2 If we continue to provide services while you are in debt to us, we may still take these actions against you at a later date.

4.3 Even if a sponsor agrees to pay fees on your behalf, you remain ultimately liable for your fees to us. You may still have to pay any unpaid outstanding balances.

5. Academic and General Regulations for Students

5.1 Under these Terms and Conditions of Contract you agree to comply with the Academic and General Regulations for Students (Levels 4-7), and the Code of Practice which are both published on UCEM's website at: <https://www.ucem.ac.uk/about-ucem/programme-specifications-academic-regulations/> and <https://www.ucem.ac.uk/about-us/code-of-practice.aspx>. The Academic and General Regulations for Students (Levels 4-7) contain important information that students will be subject to and are required to abide by.

5.2 UCEM reserves the right from time to time to amend these Academic and General Regulations for Students (Levels 4-7) by resolution of the Academic Board, in accordance with Section 7 of these Terms and Conditions.

5.3 Such amendments will normally come into effect at the beginning of the next Academic Session (normally the period of study commencing on 1st September in the year concerned). You will be provided with information on what has changed, the reasons for the change, and how this will affect you.

5.4 You are required to complete the Induction Module and pass the compulsory element of the module entitled 'Writing in your Own Words' prior to the submission of your first assessment. The mark of your first and subsequent assessments will be withheld until you have successfully completed this element.

- 5.5 You are required to complete and pass all the prescribed modules in the Programme Specification for your route of study to be eligible for the final award on the programme, unless you have been given exemption from certain modules due to prior learning as detailed in your Offer Letter.

Please see the Assessment, Progression and Award Regulations to view any `specific progression requirements relating to your programme.

- 5.6 If you have had a break in your programme of study and return to UCEM to complete a programme you will be governed by the regulations in force at the time of recommencing your study with UCEM. You will be informed if a change in regulations has occurred, and how this will affect your study. By returning to the programme and registering for the next modules you would be giving your agreement to the new terms that will apply to your contract.

You agree to indemnify UCEM in respect of any breach or misuse of UCEM’s IPR and any breach of this condition may lead to legal action being taken to protect UCEM’s interest.
- 6.2 Programme Materials may only be used by you personally as part of your contract and study with UCEM and you may not share, loan, copy reproduce or grant in any way any right or licence to use the Programme Materials to any third party.
- 6.3 UCEM agrees to compensate you against any claims, damages, or losses arising as a result of any claim or action that the Programme Materials infringe any IPR belonging to a third party. For this purpose, Programme Materials are defined as all material that is published on the VLE by UCEM that forms part of the academic learning for each module.
- 6.4 Unless otherwise assigned and subject to Clause 6.5 below, where IPR is created by a student during their period of study, for example through a piece of assessment, the IPR is retained by the student.

There are specific situations in which UCEM may wish to vary the student IPR, for example in advancing a collaborative arrangement. In such a situation, the student could be asked to sign an appropriate IP Rights assignment. Thus, where UCEM agrees with a student that student work will be used as part of a further Research publication produced by UCEM, the IPR will be shared by both parties. The student’s work will be acknowledged and, where appropriate, subject to a revenue sharing scheme.

Should such an eventuality occur during the admissions and registration process, applicants will be informed immediately of any change and the alternative arrangements that have been put in place. Existing students will be informed of when the changes will be effective from, which will usually be the next academic year (1 September).
- 7.3 Where changes in the Regulations adversely affect a student UCEM will seek to offer the student a suitable replacement programme. If the student does not wish to accept UCEM's offer of a replacement programme or if UCEM is unable to offer a replacement the student will be able to withdraw from the programme. In the event the student withdraws, UCEM will make an appropriate refund of any fees paid by the student.
