### 1 Introduction

- 1.1 The Honorary Fellows Scheme was approved by the Board of Trustees in July 1977, to recognise those who had given service to the College of an academic or academic related over several years. The Board approved in March 2019 as part of the Centenary celebrations that an 'Associate Fellowship' should be introduced.

### 2 Criteria for nomination

- 2.1 To be considered for an Honorary Fellowship the person should have given distinguished service, made an exceptional contribution in support of UCEM, have an affiliation with or active involvement with UCEM or be an alumnus of UCEM that has given significantly to the sector.
- 2.2 This is usually over a significant time; however, this does not exclude those who have made a particularly exceptional contribution over a shorter period.
- 2.3 To be considered for an Associate Fellowship the person should be actively involved with UCEM, but this will be over a shorter period than an Honorary Fellowship. The award is usually given to recent UCEM alumni, or those at earlier stages of their career or those recognised for significant academic achievement or merit by UCEM.
- 2.4 The following excludes someone from nomination to become an Honorary or Associate Fellow:
- An Honorary or Associate Fellow shall not be given to someone who is currently on the payroll of UCEM
  - An Honorary or Associate Fellow cannot be a current serving member of the Board
  - An Honorary or Associate Fellow cannot be given to a person who holds a UCEM Honorary Degree
  - An Honorary or Associate Fellow cannot be a current student with UCEM.

### 3 Nominations Procedure

- 3.1 The Nominations and Governance Committee is responsible for the recommendation to the Board of individuals to be elected Honorary or Associate Fellows.
- 3.2 The Secretary to the Board will invite nominations from members of staff and the Board. All nominations must be received by the published deadline, for consideration by the Committee prior to the March meeting of the Board.
- 3.3 The Nominations and Governance Committee may also consider nominations from the wider UCEM community, including alumni and students.
- 3.4 All nominations must include a written statement that details the nominee's contribution to UCEM, as well as their other achievements.
- 3.5 All nominations are confidential, and nominees must not be informed that they have been recommended for an Honorary or Associate Fellowship.
- 3.6 The Nominations and Governance Committee will consider all nominations received and recommend individual(s) to the Board for election to Honorary or Associate Fellow.
- 3.7 The names of those recommended for Honorary and Associate Fellowship are confidential until approved by the Board, and until offers have been made to and accepted by the nominees.

### 4 Honorary and Associate Fellow Recognition

- 4.1 Honorary Fellowships are usually given at the UCEM Graduation Ceremony. Where it is not possible for the Honorary Fellow to attend the Graduation Ceremony in exceptional circumstances alternative arrangements may be made.
- 4.2 Recipient (s) of the Honorary Fellowship at the Graduation will wear the Honorary Fellows gown.
- 4.3 Associate Fellowships are usually given at the Annual Honorary Fellows Event.
- 4.4 An Honorary or Associate Fellowship does not confer any other right, privilege or status within UCEM.
- 4.5 All names of Honorary and Associate Fellows are published on the UCEM website, Honorary Fellowships are inscribed on the UCEM Honours Board at Horizons.
