Realising your potential in the Built Environment

BSc (Hons) Building Surveying

Full-time

Step into the world of Building Surveying with this online industry-recognised undergraduate programme. Our programme is primarily designed for people employed in the construction industry, such as those working in large contracting organisations and commercial developers and local authority or armed forces personnel. Such employment is not mandatory, but is desirable.

This programme provides the academic underpinning necessary to prepare students for a career as a Chartered Surveyor and is accredited by globally-renowned professional bodies RICS, CIOB, CABE and HKICM.
