2020/21 Undergraduate

**BSc (Hons) Full-time study
Real Estate Management**

Realising your potential in the Built Environment

BSc (Hons) Construction Management

Full-time

Step into the world of Real Estate Management with this online undergraduate programme. Our industry-recognised BSc (Hons) Real Estate Management is designed to provide the academic grounding necessary to progress to Chartered Surveyor status in the commercial real estate management and valuation specialisms.

This programme is structured to deliver a fully rounded skill set for those wishing to practise in these sectors of real estate and encompasses commercial property management, valuation, property economics, property development and planning. Gaining this degree will enrich your knowledge of this vital area of modern commerce and industry and strengthen your CV.
