BSc (Hons) Full-time study
Construction Management

Realising your potential in the Built Environment

BSc (Hons) Construction Management

Full-time

Step into the world of Construction Management with this online industry-recognised undergraduate programme. Our programme provides students with a rigorous understanding of the principles, practices and ethics involved in construction management in a worldwide context.

This programme provides the academic underpinning necessary to prepare students for a career as a Chartered Builder or in other related professions, and provides students with the opportunity to satisfy the academic requirements of various international professional bodies, including the requirements for Chartered Membership of the CIOB and RICS.

Award

BSc (Hons) Construction Management

Duration

3 years (standard route)

Dates

	Apply by	Start date
Autumn	24 Aug 2020	5 Oct 2020
Spring	22 Feb 2021	6 Apr 2021

Fees

£1,150 per module for students commencing in the 2020/21 academic year x 17 modules.

Total programme fee: £19,550

Time Commitment

15-20 hours a week for 42 weeks per annum.

Each 20-credit module equates to a total of 200 study hours broken down between directed online learning, self-directed learning and assessment. The breakdown between these three types of activity may vary between modules but on average is as follows:

Directed online learning	(50%)
Self-directed reading	(17%)
Assessment	(33%)
