UCEM Terms and Conditions of Contract – Apprenticeship Programmes

These Terms and Conditions of Contract are applicable only to those on apprenticeship programmes.

1. The contract

- 1.1 This document sets out the general terms and conditions which apply to your contract and study with University College of Estate Management (“UCEM”). The contract is formed when you accept our offer by registering on the programme for the first time. When you have registered we will send an email to confirm that you have accepted our offer and have now entered into a contract with UCEM. Please see Clause 7, which explains our right to end your contract, and Clause 9, which explains your rights to cancel your contract. Students enrolled on a UCEM programme may not normally be enrolled on any other programme of study offered by UCEM.

2. Our obligations to you

- 2.1 UCEM will provide the teaching, assessment and other educational services as stated in the relevant programme specification. Programme specifications can be accessed at: <https://www.ucem.ac.uk/our-programmes/programme-specifications.aspx>.
- 2.2 UCEM will provide pastoral support, advice and guidance to students. This pastoral support includes the provision of academic support, and a dedicated Student Services team.
- 2.3 UCEM will award certificates, diplomas or degrees as applicable to all students who are successful in their study and have met the academic requirements for their programme, as approved by Academic Board, and complied with other relevant conditions to which they are subject under this contract.

3. Programme fees

- 3.1 As an apprentice you are not liable for programme fees. Your apprenticeship will either be fully funded by your employer or co-funded by your employer and Her Majesty's Government (HMG).
- 3.2 Your place on the programme is subject to the ongoing availability of funding from your employer and where relevant, availability of co-funding from HMG.

4. Academic and General Regulations for Students

- 4.1 Under these Terms and Conditions of Contract you agree to comply with the Academic and General Regulations for Students (Levels 4-7, if you are a degree apprentice and Level 3 if you are undertaking the Level 3 Surveying Technician Diploma programme), and the Code of Practice which are both published on UCEM's website at:

UCEM Terms and Conditions of Contract – Apprenticeship Programmes

<https://www.ucem.ac.uk/about-ucem/programme-specifications-academic-regulations/> and <https://www.ucem.ac.uk/about-us/code-of-practice.aspx>. The Academic and General Regulations for Students (Levels 4-7 or Level 3 as applicable to your programme) contain important information that students will be subject to and are required to abide by.

- 4.2 UCEM reserves the right from time to time to amend these Academic and General Regulations for Students (Levels 4-7 or Level 3 as applicable to your programme) by resolution of the Academic Board, in accordance with Section 6 of these Terms and Conditions.
- 4.3 Such amendments will normally come into effect at the beginning of the next Academic Session (normally the period of study commencing on 1st September in the year concerned). You will be provided with information on what has changed, the reasons for the change, and how this will affect you.
- 4.4 If you are a degree apprentice you are required to complete the Induction Module and pass the compulsory element of the module entitled 'Writing in your Own Words' prior to the submission of your first assessment. The mark of your first and subsequent assessments will be withheld until you have successfully completed this element.
- 4.5 You are required to complete and pass all the prescribed modules/units in the Programme Specification for your route of study to be eligible for the final award on the programme, unless you have been given exemption from certain modules/units due to prior learning as detailed in your Offer Letter.
- 4.6 If you have had a break in your programme of study and return to UCEM to complete a programme you will be governed by the regulations in force at the time of recommencing your study with UCEM. You will be informed if a change in regulations has occurred, and how this will affect your study. By returning to the programme and registering for the next modules you would be giving your agreement to the new terms that will apply to your contract.

5. Licence to use Programme Materials and Training Information

- 5.1 All intellectual property rights ("IPR") including but not limited to copyright and related rights, trade marks, rights in get-up, rights in goodwill or to sue for passing off, rights in designs, rights in computer software, database rights, rights in confidential information (including know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and all similar or equivalent rights or forms of protection which subsist or will subsist, now or in the future, in any part of the world in programme materials, information, documents and content ("Programme Materials") provided to you by UCEM remains vested wholly in UCEM as owner or licensee of the IPR. UCEM grants to you a personal non-exclusive restricted licence to use the Programme Materials solely for your own (the student's) personal use as part of studying a programme with UCEM and the Programme Materials must not be copied, reproduced, sub licenced or transferred to any other party. You agree to indemnify UCEM in

respect of any breach or misuse of UCEM's IPR and any breach of this condition may lead to legal action being taken to protect UCEM's interest.

- 5.2 Programme Materials may only be used by you personally as part of your contract and study with UCEM and you may not share, loan, copy reproduce or grant in any way any right or licence to use the Programme Materials to any third party.
- 5.3 UCEM agrees to compensate you against any claims, damages, or losses arising as a result of any claim or action that the Programme Materials infringe any IPR belonging to a third party. For this purpose, Programme Materials are defined as all material that is published on the VLE by UCEM that forms part of the academic learning for each module.
- 5.4 Unless otherwise assigned and subject to Clause 5.5 below, where IPR is created by a student during their period of study, for example through a piece of assessment, the IPR is retained by the student.
- 5.5 There are specific situations in which UCEM may wish to vary the student IPR, for example in advancing a collaborative arrangement. In such a situation, the student could be asked to sign an appropriate IP Rights assignment. Thus, where UCEM agrees with a student that student work will be used as part of a further Research publication produced by UCEM, the IPR will be shared by both parties. The student's work will be acknowledged and, where appropriate, subject to a revenue sharing scheme.

6. Our right to vary these Terms and Conditions

- 6.1 UCEM has the right to revise and amend these terms and conditions, including the Academic and General Regulations for Students (Level 3 and Levels 4-7) in order to:

 - ensure the curriculum is current and relevant to intended learning outcomes and/or standards of any relevant professional, accrediting and/or regulatory bodies and/or employer requirements and/or;

- 6.2 Where the change leads to a difference in the programme that is offered, changes will be implemented in consultation with relevant student representatives and other stakeholders (e.g. employer representatives), setting out the reasons for the proposed amendment(s), and compliance with the requirements of the UCEM Code of Practice on Programme

Monitoring, Amendment, Review and Discontinuation. Should such an eventuality occur during the admissions and registration process, applicants will be informed immediately of any change and the alternative arrangements that have been put in place. Existing students will be informed of when the changes will be effective from, which will usually be the next academic year (1 September).

- 6.3 Where changes in the Regulations adversely affect a student UCEM will seek to offer the student a suitable replacement programme. If the student does not wish to accept UCEM's offer of a replacement programme or if UCEM is unable to offer a replacement the student will be able to withdraw from the programme.
- 6.4 UCEM may, at its discretion, introduce any changes made to the Academic and General Regulations for Students (Level 3 and Levels 4-7) with immediate effect where it is in the interests of students to do so, and/or necessary to reflect changes in the law or regulatory framework. (Further details about the notification of changes to educational services are provided in para 12.2 of the Academic and General Regulations for Students (Level 3 and Levels 4-7).)
- 6.5 Notice of any amendments to these Academic and General Regulations for students (Level 3 and Levels 4-7) and the Code of Practice will be posted on both the UCEM website and the VLE and, where appropriate, sent direct to students.
- 6.6 The Academic Board may decide to discontinue any of the UCEM awards in response to academic circumstances, such as currency of the curriculum or student progression and retention, or in response to feedback and/or annual monitoring or periodic review.
- 6.7 The Principal has the authority, following consultation with the Senior Leadership Team to discontinue a programme on the grounds of financial viability and/or resource availability.
- 6.8 In the event that an award is discontinued, no new students will be enrolled, but the award will be conferred on those already registered and continuing to complete the approved programme of study in accordance with the regulations. If exceptionally an accelerated closure is approved the Academic Board must satisfy itself that appropriate arrangements are in place to protect the interests of existing students.
