Application Form for Harold Samuel Research Prize

Please read all the information carefully before completing this form.

When completing this form

- 1. Download the form onto your computer
- 2. Fill out the form using Adobe Acrobat
- 3. Sign document*.

*You can either sign the document digitally, or print it out, sign it, scan it and email it back as ONE DOCUMENT. Please do not forget to supply all additional documentation that is requested.

DEADLINE: Friday 19th August 2022

Please note we are unable to accept applications that are submitted after the deadline.

1 Developed details				
1. Personal details:				
Name of Principal Applicant				
Name(s) of Co-applicants (if applicable)				
Address				
Town/City	County/Region			
Postcode/area code	Country			
Telephone: area code	Number			
Email	Date of birth DD/MM/YY			
How did you hear about the Centenary Fund? Please mark as appropr	riate			
UCEM Websearch Email Online advertisement	Other			
2. Nationality and residence details				
Nationality:				
Country of permanent residence The country in which you normally residence	de			
Job title				
Employer's name				
Employer's address				

Will they support you? Yes No If yes, please explain below how your employer will support your work on this research project 3. Academic and professional qualifications
3. Academic and professional qualifications
Principal Applicant
Co-applicant(s)
Proposed Project
Title of Project (max. 10 words)

Summary: Please describe the project proposal in no more than 500 words, including:

- Explaining the proposed work (what the project is about)
- How it is intended to be delivered.

Nationality and residence details

• Has a research gap clearly been identified?

Note: this section should include evidence from a range of sources including key documents on why this is an issue for the sector derived from established research practice or policy.

(Continued on the following page)

Summary: Please describe the project proposal in no more than 500 words
Aims & Objectives:
Please ensure that these are SMART (Specific, Measurable, Achievable/Agreed, Realistic and Timebound)

Allocated on a marginally costed disbursement of grant basis. (It is expected that overheads will be met from your organisatio 50% of funding allocated on the award and the balance on the issue of the final report. Outline Methodology: in no more than 500 words

Dissemination: in no more than 300 words		
Who are the expected target audience/s for t	he research?)	
• What are your anticipated communications o	utputs from the research?	
• Please state how you plan to disseminate the	project's outputs and lessons learnt for	the benefit of the wider sector?
5. Previous academic and professional exper	rience including the delivery of research	projects
Name	Awarding body	Value of award and years

6. Additional Information (Optional) Please provide any other sig attention of the assessment panel in no more than 300 words	nificant information or issues which you think should be brought to the
7. Checklist	
Before signing this form please ensure you have completed all th	e questions and included the following document with your
application	
Your application can only be considered after all completed doc UCEM website at: www.ucem.ac.uk/harold-samuel-research-priz	
Please mark as appropriate:	е/.
Completed all the questions	
Included your detailed research proposal document	
Read and understood the Harold Samuel Research Prize terms and a	randitions
Read and orderstood the Harold Samber Resedrent Fize terms and e	onations
8. Declaration	
I confirm that I have read the entry guidelines and terms and corthis application has been completed in accordance with them.	nditions for applicants to the Harold Samuel Research Prize and tha
this application has been completed in accordance with them.	
I also confirm that my employer (if appropriate) endorses this ap	plication and, should it be successful, will make the necessary
resources available for the project.	
Signature	Date
